hello April

Thank you for subscribing and for your support to the Bryson and Baker Batt Foundation!

We have been a 501c3 for *almost* a full year - time flies! Spring time brings not only warmer weather, but a sense of new beginnings and new growth.

A lot has been happening with the foundation lately that we'd like to catch you up on. We've touched over 500 NICU families with the help of your generous donations and time!

Read on to see recent event highlights, donation updates, supporter highlights, and our upcoming **Handprints on the Heart Gala**. This event in November is the first annual and we would love for you to be a part of it with us!

About Us

For those that are new here or just want to know a little bit more about who we are - The Bryson and Baker Batt Foundation is a 501c3 nonprofit based in Michigan. The mission of the foundation is to support families in the NICU (Neonatal Intensive Care Unit) and those that have lost their baby.

Our hope is to provide some comfort, love, and the feeling of not being alone when a family is in the NICU and faced with the unimaginable. We do this through your generous donations. We donate NICU welcome packages, sunshine bags, memory boxes, and holiday love packages.

RECENT EVENTS

APRIL 5

Regina High School held a service day on April 5 and the foundation was the recipients of that service day! The staff and students came together to donate over 500 items like board books, food delivery/Starbucks gift cards, fuzzy socks, and travel size hygiene products. The donations were incredible and so helpful.

The students spent the day doing multiple activities to benefit the foundation. They put together Sunshine and Welcome Bags, tied small fleece blankets, created NICU nurse appreciation cards, and decorated window decor for NICU rooms.

The small tie blankets will be used on top of baby's incubator beds and for the parent's use while holding their baby. By decorating decor for NICU room windows along with NICU nurse cards, the students are helping to spread joy and comfort to NICU families and the hospital staff.

Thank you Regina staff, students, and parents!

Thank you!

Thank you Courtney for your support through your food blog and platform, [A Paige of Positivity!](#) Courtney sponsored a cookie week in December and for every cookie review left on her website, she donated \$2 - She, along with her supporters, donated so many items from our Amazon wish list!

Thank you to the University of Michigan Hilll for getting together and creating Sunshine Bags! These are so great and will be so loved by NICU families.

Thank you Shannon for organizing a book drive for the foundation and all the participants who purchased books! We received 80+ books which will be used for NICU welcome bags and sunshine bags.
