A Warm Welcome

Thank you for subscribing and for your support to the Bryson and Baker Batt Foundation! We are so happy you are here and proud to share how 2022 went for us. We became an official 501c3 on July 19th, 2022, and have been going full steam ahead since, time flies!

About Us

For those that are new here or just want to know a little bit more about who we are - The Bryson and Baker Batt Foundation is a 501c3 nonprofit based in Michigan. The mission of the foundation is to support families in the NICU (Neonatal Intensive Care Unit) and those that have lost their baby.

Our hope is to provide some comfort, love, and the feeling of not being alone when a family is in the NICU and faced with the unimaginable. We do this through your generous donations both monetarily and physically. We donate NICU welcome packages, sunshine bags, memory boxes, and holiday love packages.

What is donated to the NICUs?

NICU Welcome Packages - Curated bags of items to help parents get through those first few hours or days in the NICU - Example items are board books, food delivery gift cards, travel size hygiene products, snacks, and coffee.

Sunshine Bags - These gift bags bring a smile to a parents face whether it's a new book to read to their baby, fuzzy socks, chocolate pretzels, stress relief lotion, a puzzle! Something for them to enjoy and know they're loved and seen on those not so great days.

Memory Boxes - Items provided to families in the NICU who lose their baby to help remember and cherish those moments together and provide a sense of comfort and belonging.

Holiday Love - Being in the NICU during a holiday is not an easy task. We provide blankets, board books and food delivery cards to NICU families during the month of December to spread joy.

Our Impact

We received one of your gift bags at the Detroit Children's NICU. Our daughter was born 10/16 with stage 4 neuroblastoma. When so much in our lives was so newly horrific and confusing it was a sweet comfort to receive that gift bag from one family wishing to comfort another. Thank you for what you're doing to support complete strangers.

I had my daughter on 12/16/2022 via emergency C-section, and she is currently in critical condition in the NICU. I've since been discharged and am home with my two boys while she is still in the NICU, walking into her room and seeing the bag from you guys was extremely touching and really warmed my heart, and reading about this foundation and learning the story behind it broke my heart that you went through what you did. Thank you from the bottom of my heart for putting a smile on my face during this hard time and for making me feel a little better.

New Hospital Partnerships

In Q1 2023, we will be starting to make donations to both NICUs at Royal Oak Beaumont and Mott Children's.

Thank you!

A special and huge THANKS to Variety - the Children's Charity Detroit for the gracious grant of \$7,000 to fully fund our December Holiday Love Event. On December 4th, we came together with about 60 volunteers from the community to make tie fleece blankets and package the holiday love bags. These bags each have a large tie blanket, food delivery gift card, and a book. These packages around the holiday bring joy to a family in the NICU - A blanket just for them to keep warm in that NICU room means so much to a family. We donated 88 bags in total - 44 to both NICUs at Ascension St John and Children's Hospital of Michigan. THANK YOU to all of our volunteers who came together!

We have partnered with the Roman James Foundation to provide their pamphlet in the memory boxes at Children's Hospital of Michigan. Roman James Foundation assists metro Detroit families with the unexpected costs of infant burial and cremation.
